GRACE & HOLY TRINITY
EPISCOPAL CHURCH

Q: ***What's the purpose of the survey?***

A: The process to select a rector includes posting information about our church, our worship preferences, our needs, our strengths and much more. Your thoughts about these items are needed to help us create a representative image of Grace and Holy.

Q: ***What are the survey dates?***

A: The survey will be published in early January, and will remain open for one month to allow everyone time to respond.

All members of your family who wish to participate in the survey may use the same link; the link is designed so it can be used multiple times.

Q: ***How do I know my survey responses are confidential?***

A: The Discernment Committee is using an external tool, Survey Monkey, which is not a GHTC vehicle. The subscription is paid for and open to the Discernment Committee **only**. Using a common link to the email survey means that no one can trace the address of the computers from which responses are sent.

For those taking the paper survey, a return envelope to Nick Sollog, one of the Discernment Committee members, means no one at Grace and Holy will see the results. Nick will enter results directly into Survey Monkey.

If you have any additional questions, please contact the Discernment Committee at Discernment@ghtc.org, a confidential and secure email address, which is monitored only by the committee.
