**Summer Music, Arts and Sports Camp**

The Missionary Society is in the midst of planning for their summer trip to Belize. Again we will be hosting a Sports, Arts, and Music camp for the children from St. Andrew's School in San Ignacio.

Last year our congregation was so generous in providing supplies for us. Thank you. Please can you help once more?

All art supplies are appreciated- Drawing paper, construction paper markers, crayons, scissors, glue sticks, tape, yarn, ribbon, beads, light weight fabric, dry tempera paint, medium sized paint brushes and – the leis were the greatest hit.

Sports equipment – soccer balls, kickballs, basketballs - all balls (to be inflated there) Volleyball nets, whiffle ball bats, balls and bases, basketball nets, sidewalk chalk

Music - Right now we know we need pencils for the children-
