

2016 Annual Giving Campaign

Transforming Lives

Grace & Holy Trinity Episcopal Church

With Christ at the center of all that we do, and with our new Strategic Plan leading the way, we embrace all that God has placed around us and strive to improve the lives of each person we encounter. We will focus on:

-  *Expanding our programs and events for adults of all ages that foster care, education and community.*
-  *Making program and curriculum changes to our children's ministry so that they continue to grow and thrive.*
-  *Building a firm foundation of faith and community for teens under the direction of our new Youth Minister.*
-  *Providing a welcoming and challenging place for college students to build community, serve others, and explore their faith.*
-  *Working to break the cycle of poverty through new initiatives, existing programs, and working with community partners.*

We are an inclusive and spirited urban church community thanks to YOU.

We seek, share, and care thanks to YOU.

Your support makes a difference, and is greatly appreciated. Thank you!

In gratitude for God's generosity in our lives, we respond, by offering our time, talent and financial support. Here at GHTC we ask that you give us an indication of your intended financial support by filling out this card. It helps the church plan for the upcoming year, and for programs that will reach into the future. Sometimes people need to make adjustments later in the year. Simply let us know if that should be the case for you. Please know that at whatever level you give you are making a difference. It is by giving together that our gifts turn into great abundance for others and spiritual growth for ourselves.
