I'll Help RVA and My Neighbors Break the Cycle of Poverty

I will be part of an innovative approach to breaking the cycle poverty built on relationships and become friends with those I might otherwise not have met. I understand that volunteer opportunities are flexible, based on my skills and interests and the time I have available. I commit to:

Become a Circles Ally: Allies support and mentor Circle Leaders who are motivated individuals working to achieve economic stability. Allies spend between 4 and 10 hours each month, attending meetings twice monthly with Circle Leaders for up to two years.

Become a Donor: Funds support meetings of Circle Leaders, their families and Allies as well as their training. Make checks payable to Goodwill of Central and Coastal Virginia (an established public charity receiving tax-deductible donations on behalf of Circles RVA), and include Circles RVA in the memo line.
