INTRODUCTION

Like many organizations, for much of its history Grace & Holy Trinity Church operated informally, relying on our traditions as well as the canons of the Episcopal Church and the Diocese of Virginia. Guided by their faith, lay leaders and clergy managed the spiritual and temporal aspects of the church for more than 100 years with good will, expertise and integrity.

With changes in leadership and a desire to be transparent with members and staff about church operations, in September 2022, GHTC's Vestry formed a Policy Committee, charging that group with gathering existing policies and making recommendations to the Vestry, Congregation, and Rector for additional policies.

The committee began its work by reviewing fifteen years of Vestry minutes and contacting previous leaders to gather copies of all existing policies. Then it turned its attention to developing additional policies, based on recommendations from the clergy, Vestry, and members of GHTC.

This handbook should be viewed as a living document, always open to additions and amendments. As of June 2024, the Policy Committee and Vestry continue to develop and adopt policies to guide the efficient, effective, faith-driven, member-centric operation of our church.

Most of the policies in this handbook were adopted by the Vestry. Depending on who has appropriate authority, others were jointly adopted with either the Rector or Grace & Holy Trinity Endowment Fund, Inc. One policy concerning Vestry elections was adopted by the Congregation alone. The date indicated after each policy title indicates the date when it was adopted. Unless otherwise noted, the policy was adopted by the Vestry.

The staff, Vestry and Policy Committee encourage parishioners to ask questions about these policies, suggest changes in existing policies, and recommend areas in which GHTC should adopt new policies. To make proposals, members should contact a clergy member or member of the Vestry.

VESTRY AND CONGREGATIONAL POLICIES REGARDING PARISH GOVERNANCE

Policy Development and Adoption (June 19, 2024)

The policies of Grace & Holy Trinity Church (GHTC) will be developed by the Policy Committee and presented to the Vestry for review and consideration. Policies will remain in effect until changed or removed by vote of the Vestry. The Vestry retains the right to develop and adopt policies on its own without going through the Policy Committee.

Development

The Vestry, members, employees, and clergy are encouraged to suggest issues for which they believe GHTC should have policies and to suggest changes in current policies to either a warden, Vestry member, clergy member, or Policy Committee member. Upon receiving a suggestion for a new policy or a change in an existing policy, the Policy Committee will decide whether to develop such a policy.

Once the Policy Committee begins working on a policy, it will inform the Vestry and clergy and will solicit suggestions about the policy's content from the Vestry, employees, and GHTC members with expertise or experience about that matter. The Policy Committee will collaborate with other GHTC committees and ministries who work in the area under consideration.

The Policy Committee will research whether the canons of the Episcopal Church or Diocese of Virginia provide guidance about a policy under consideration. The committee may also request information from other churches and organizations about their practices and policies. For proposed policies with legal implications, the Policy Committee will ask the wardens to secure legal counsel to advise it prior to finalizing any proposed policy.

Once the research and consultation about a proposed policy's content are complete the Policy Committee will draft the policy and recommend it to the Vestry.

Adoption

The proposed policy will be presented to the Vestry for review and consideration. The Vestry will act on the proposal at its next regular monthly meeting. In the interval between the meetings, Vestry members are encouraged to offer suggestions for changes in the proposal.

By a simple majority vote the Vestry may accept the proposed policy as presented, amend it, table its consideration, reject it, or refer it to the Policy Committee or another committee for further development.

Publication

The Policy Committee will maintain an up-to-date compilation of all GHTC policies, along with the date of each policy's adoption by the Vestry. All policies will be accessible to GHTC members and employees through the church website's Member Center, searchable by keyword. The Policy Committee will provide updated information to the employee who maintains the website whenever the Vestry adopts or changes policies. When appropriate, the congregation will be notified through GHTC's regular communications vehicles, when a policy is adopted or

changed. The Register will provide adopted policies to applicable committees and ministries. The Rector will provide adopted policies to employees whose work is impacted by the policy.

Committees and Ministry Groups (March 21, 2024)

Grace & Holy Trinity Church establishes committees to collaborate with the Vestry and staff to design and oversee the activities of the church. Grace & Holy Trinity Church establishes ministry groups to carry out its activities. The Vestry provides communications, financial and organizational support to committees and ministry groups.

The Vestry determines each committee's and ministry group's charge and names its chair after requesting nominations from the committee/ministry group, staff, and Vestry. The Rector and Senior Warden serve as ex-officio members of all committees and may designate a staff member or Vestry member to serve in their place as an ex-officio member of each committee.

Committees are made up of members. Ministry groups are made up of parishioners who carry out their work. Both committees and ministry groups shall invite GHTC parishioners to participate in their work, maintaining a mix of newer members with those with experience. Committee members are expected to serve at least one year on the committee.

Each committee will annually inform the Vestry of the names of its members. Each committee and ministry group will provide a brief annual report to the Vestry.

Long-Standing Committees of the Vestry

Almost since their founding, Grace Church's and Holy Trinity Church's vestries have used committees to help administer the church. The dates when these committees were established is not known but almost all minutes of GHTC's Vestry reflect their work.

- i) Finance Committee (mandated by diocesan canons)
- ii) Property Committee (mandated by diocesan canons)
- iii) Scholarship Committee (established to administer the Landon Mason Scholarship by Grace Church prior to its consolidation with Holy Trinity Church)

Property Committee Policies (March 21, 2024)

Purpose: The purpose of the Property Committee is to assist the church in the repair and maintenance of the property, buildings, and physical assets.

Duties:

1. Inspect all church property on an ongoing basis (at least once per year) with input from the clergy and staff.
2. In coordination with the staff representative on the Committee, various members will seek contract bids (preferably more than one bid per project) and oversee work being performed on the property. All contract bids are to be approved by a consensus of the Committee. These expenditures will come under the Capital Improvements (Major Repairs), line item 58513 of the church budget.

3. Expenditures in excess of \$5,000 and not exceeding \$20,000 to be reported to the vestry.
4. Expenditures in excess of \$20,000 to be approved by the vestry.
5. Maintain a list of all short- and long-term repair, maintenance, and capital needs of the church.
6. Keep the Vestry and Endowment Fund Trustees apprised of any significant future budget requirements.
7. Prepare an annual budget recommendation for major repairs and other capital needs.
8. Oversee the coordination of periodic parish workdays.

Structure:

The Committee shall consist of six lay members including the Chairman. Members are not elected, but rather are recruited by the existing Committee members, or recommended by the rector, and serve staggered three-year terms. Ideally, membership will change at the end of the second quarter of each year. Members have the option to serve for a second three-year term.

In addition to the six lay members, the committee will include two ex-officio members. These include a member of the clergy or staff, as recommended by the Rector, and a representative of the Vestry as selected by the Senior Warden. Other officials of the Church are encouraged to attend meetings as necessary, including the Rector, Senior Warden, Treasurer, and representative of the Endowment Fund Trustees.

The Committee will meet formally at the direction of the Chairman on no less than a quarterly basis. During various times of the year, such as budgeting season or significant ongoing repairs, it is recommended that meetings be convened on a more frequent basis.

Fiduciary Responsibilities:

The Committee oversees that portion of the annual budget designated for Major Repairs. In conjunction with the staff or clergy member, it is the responsibility of the Committee to submit annual budget requests to the Finance Committee. For items in excess of normal Major Repair funding the Committee will seek the concurrence of the Vestry for large budget requests or significant capital requirements.

The Committee has access to a fund outside of the annual budget process via the Fund for Major Repairs. Any expenditures from this fund requires Vestry approval.

Setting the Date for the Annual Congregational Meeting (June 19, 2024)

The Vestry will set the date and time for the annual congregational meeting, upon recommendation from the Rector and wardens. The meeting will be held at Grace & Holy Trinity Church on a Sunday in February. At least one week prior to the meeting, the congregation will be informed of its time and place.

Conduct of Vestry Meetings (10/14/2014)

Whereas, the canons of the Episcopal Church USA (I.14.3) and the canons of the Diocese of Virginia (canon 11, section 10) state that “the Rector or other such member of the Vestry designated by the Rector shall preside in all meetings of the Vestry;”

And whereas, the canons of the Diocese of Virginia (canon 11, section 10) state that “all meetings of the Vestry shall be subject to the Rector’s call, but in case he fails to call a meeting when requested to do so by two Vestry members, such Vestry members may themselves call a meeting giving at least three days’ notice to the Rector and to each Vestry member;”

And whereas, in accordance with the canons of the Diocese of Virginia (canon 11, section 12), the Church Vestry shall meet as a whole at least quarterly;

And whereas, a “majority of the Vestry members who have qualified, exclusive of the Rector, shall constitute a quorum, but any Vestry may by resolution fix a smaller number to act as a quorum at future meetings” (canon 11, section 10);

And whereas, as the canons of the Diocese of Virginia (canon 11, section 10) state, the “Vestry may adopt by-laws not inconsistent with the Diocesan or National canons;”

Let it therefore be resolved that the Vestry of Grace and Holy Trinity Church affirms the National and Diocesan canons;

Let it be further resolved, that invitations may be requested by and issued to parish members and to members of the larger community, to attend and to speak at Vestry meetings about items of importance to the Vestry and to the mission of the parish, with such invitations being made by the Rector and the Wardens on their own initiative, or upon recommendation to the Rector and Wardens by a majority of Vestry members;

And let it be further resolved, in order for the Vestry meetings of Grace and Holy Trinity Church to be run in an effective and orderly fashion, and so that all members of the parish can understand what is the policy of the Vestry regarding its meetings, that the Vestry affirms its right to determine who, other than the Rector and the elected members of the Vestry, may be present at its meetings, when they may be present, and who may speak during its meetings;

And be it further resolved that the Vestry may, upon the call of the Rector and Wardens or a majority vote of the Vestry, enter into an “executive session,” which deliberations are to be held in strict confidence by the members of the Vestry, with the understanding that any resolutions passed by the Vestry in executive session be communicated by the Rector and Wardens to such persons (or class of persons) as may be named by the resolution adopted in executive session, or such persons as the Rector and Wardens deem appropriate;

And finally, be it resolved, that the Rector, Wardens, and Vestry may include special invitees, such as employees or staff members, to take part in an executive session, but that the Rector and elected members of the Vestry may never be excluded from such a session.

Election of Diocesan Delegate and Alternate (3/31/2022)

Each Diocesan Delegate and Alternate shall serve a two-year term of office. At the conclusion of the alternate’s term, that individual shall then become the delegate and serve a new two-year term in the position.

Vestry Elections

Adopted by the Congregation (February 19, 2023)

The following procedures will govern election to the Vestry of Grace & Holy Trinity Church:

1. At each annual meeting the congregation will elect new Vestry members to fill the vacancies created by the end of terms or resignation of Vestry members.

2. The number of positions open each year will be adjusted if necessary to maintain the maximum size Vestry allowed by the diocesan canons.
3. The term of Vestry members will be three years, beginning at the next meeting of the Vestry after their election and ending when their successors take office.
4. A vestry member may not be elected to a consecutive term, except when a Vestry member has been elected to fill an unexpired term. In such cases, a Vestry member will complete the unexpired term and then be eligible for election to a full term, provided that the Vestry member has served less than one and one-half years of the unexpired term.
5. Those nominees receiving the most votes will be elected, without requiring that each receive the number of votes equal to the majority of those voting.
6. Other rules pertaining to the Annual Parish Meeting and election of Vestry members will be consistent with the diocesan canons and will be adopted by the Vestry and communicated to the congregation.
7. These procedures will remain in effect unless they are changed at an Annual Parish Meeting. They may be changed by majority vote of the congregation, upon recommendation of the Vestry after notice to the congregation of at least one week.

Adopted by the GHTC Vestry (December 14, 2022)

7. Present to the congregation the number of nominees equaling at least the number of vacancies plus three.

In addition to nominees presented by the Nominating Committee, members of the congregation may submit nominations to the chair of the Nominating Committee no later than fifteen days prior to the Annual Parish Meeting. The committee will add to the information shared with the congregation prior to the election the names, pictures and biographical sketches of those congregational nominees eligible and willing to serve.

Election Process

1. Nominees' names, pictures and brief biographical statements will be included on the website and in at least one Sunday bulletin prior to the Annual Parish Meeting.
2. The election will be in person at the Annual Parish Meeting held at a place and time designated by the Vestry.
3. Election will be by secret ballot.
4. Ballots marked for more than the number of vacancies will not be counted. Ballots marked for fewer than the number of vacancies will be counted.
5. The Senior Warden will appoint election tellers who will count the ballots and report the results to the Senior Warden.
6. Eligible voters must be adult members in good standing of Grace & Holy Trinity Church, meaning they:
 - a. Are at least 16 years old;
 - b. Have been baptized or received and confirmed in the Episcopal Church;
 - c. Have received Holy Communion in an Episcopal church at least three times in the preceding year;
 - d. Have, for the previous year, been faithful in corporate worship, unless for good cause prevented; and
 - e. Have been faithful in working, praying, and giving for the spread of the Kingdom of God.
7. Qualified voters must number at least 10% of the number of active communicants in the church.
8. Nominees receiving the most votes will be elected. In the event of a tie vote, the Senior Warden will determine the winner by lot.
9. The Senior Warden will announce the names of those elected upon completion of the vote count. New Vestry members will also be announced on the website and in the following Sunday's bulletin.
10. In the event of a vacancy on the Vestry, the remaining members may elect a qualified member of the congregation to fill the vacancy until the next Annual Parish Meeting, when the vacancy will be filled in the same manner as the election of other members of the Vestry. A person elected by the congregation to fill a vacancy will serve for the remaining portion of the term of the person being replaced.

VESTRY POLICIES REGARDING FINANCE

Allocation of Funds from Bequests

One half of any undesignated bequest will be allocated to major repairs of GHTC's physical plant. (The date of adoption is uncertain. The policy was likely adopted prior to 2006, the year from which Vestry minutes were reviewed. Many references in subsequent Vestry minutes restate this policy).

Dorothy Lee Fund Distributions (Jointly Adopted by the Rector and Vestry, October 19, 2022)

Background

In 1992 GHTC parishioner Dorothy Elizabeth Lee died, designating the church as a beneficiary in her will, stipulating that her bequest "be used at the rector's discretion to assist any member of the Church, or one who regularly attends, who may be in financial need."

In December 1997, GHTC received a \$20,000 bequest in the will of Robert M. Jarrell, requesting that the Vestry "apply this gift for the poor and needy in the parish community." At that time the Vestry delegated to the Rector the authority to decide how these funds are expended and combined the Jarrell bequest with the Lee bequest in the Dorothy Lee Fund ("the Fund").

In March 2018, the Vestry transferred the Fund to the Endowment Fund Trustees for oversight and recommended that the Rector order withdrawals for the purposes designated as specifically permitted in Ms. Lee's will.

The Internal Revenue Service requires that a charity keep "adequate records and case histories" for distributions like those from the Fund. This policy of the Vestry and Rector defines the conditions under which expenditures from the Fund may be made.

Eligibility

In authorizing disbursements, the Rector will determine whether a potential recipient is either:

- A member of Grace and Holy Trinity Church; or
- "One who regularly attends" services or participates in ministries of GHTC, including those who benefit from the Red Door Ministry, Circles RVA and other ministries that benefit individuals in financial need in the community.

If the Rector determines that verification of financial need is necessary, he/she shall request such documentation from the potential recipient or other appropriate source.

Amount Distributed

The Rector shall determine the amount of each distribution, based on the amount in the Fund and the individual need. A single distribution shall not exceed \$7,500 or 1% of the Fund's total assets at the time of the distribution, whichever is the smaller amount. No individual may receive more than this amount annually. If the Rector believes a distribution

larger than this is justified, the Rector shall discuss this with the Senior Warden prior to making the distribution. However, such distribution shall remain in the sole discretion of the Rector.

Notification

GHTC will annually communicate with its members and with the leaders of its ministries to make them aware of the availability of the Fund to assist those eligible to receive distributions as well as any procedures to request a distribution.

Process

The Rector may, at the Rector's discretion, make a distribution to meet a specific financial need of which the Rector is aware. Application by the potential recipient is not necessary.

Upon determining that a distribution is appropriate, the Rector will request that the Treasurer of the Endowment Fund transfer to GHTC the amount of the distribution.

Upon receipt of the funds from the Endowment Fund and upon authorization by the Rector, the financial secretary will process the distribution and send it to the recipient.

Reporting

Annually the Rector will provide the Vestry with information about distributions from the Fund, including:

- The total amount distributed from the Fund during the previous twelve months;
- The amount of each distribution; and
- A general statement of recipients' financial needs met by distributions, without including the recipients' name or information specific enough to identify recipients. Information about needs met will not be identified for each distribution but rather for distributions in the aggregate.

The Rector shall maintain, in a confidential file, information about each distribution to include:

- The name and address of the recipient;
- Statement of membership or regular attendance;
- The financial need of the recipient, along with any documentation deemed necessary by the Rector regarding that financial need;
- The date of the distribution; and
- The amount of the distribution.

Upon request by the Senior Warden, he or she may review this confidential file but may not make copies of any document in the file.

The total amount distributed each year along with a general description of the Fund's origins and use shall be reported annually to the congregation.

If a distribution is made to any employee of GHTC, it should be noted in the records that the distribution was made through the prescribed process and approved on the basis of the individual's financial need and was not treated as compensation to the employee.

Confidentiality

In all steps of the process, the Rector, check signers, Senior Warden, and other staff and members shall keep in strict confidence all information concerning distributions from the Fund, especially keeping the names and situations of individuals who received distributions confidential.

If the Rector makes a distribution to individuals who are all in a similar situation (e.g. graduates of the Circles RVA program), that information may be disclosed at the Rector's discretion without including the names of the specific recipients.

Conflict of Interest

No distribution shall generally be made from the Fund to benefit the Rector, a member of his/her family or someone with whom the Rector has a financial relationship. If a distribution is contemplated to any staff member, the Rector shall first discuss that distribution with the Senior Warden. Under extraordinary circumstances, and with the Senior Warden's written approval, a distribution may be made to the Rector or a family member of the Rector or someone with whom the Rector has a financial relationship.

Gift Acceptance (Jointly adopted by the Vestry and the Grace & Holy Trinity Endowment Fund, Inc., May 14, 2013)

Purpose

This gift acceptance policy provides guidelines to representatives of Grace & Holy Trinity Church who may be involved in the acceptance of gifts, to outside advisors who may assist in the gift planning process, and to prospective donors who may wish to make gifts to Grace & Holy Trinity Church ("GHTC") or the Grace & Holy Trinity Endowment Fund, Inc. ("Endowment Fund"). This policy is intended only as a guide and allows for flexibility on a case-by-case basis. The gift review process outlined here, however, is intended to be followed closely.

Gifts may be made to either GHTC or the Endowment Fund. Both support GHTC but are administered in different ways.

The Endowment Fund is administered by the Endowment Fund Trustees ("Trustees"). Unless otherwise specified by the donor, gifts to the Endowment Fund are invested, and a specific amount of the year-end principal value of the Endowment Fund is used to support GHTC and its ministries.

Gifts to GHTC are under the control and discretion of the GHTC's Vestry ("Vestry"). Unless otherwise specified by the donor, the Vestry may use the gift for immediate needs of GHTC or may invest the funds along with other gifts to support GHTC's needs over time.

These policies are applicable to gifts to both entities.

Cash

- 1) All gifts by check shall be accepted regardless of amount.
- 2) Checks shall be made payable to Grace & Holy Trinity Church or to Grace & Holy Trinity Endowment Fund, Inc. In no event shall a check be made payable to an individual who represents GHTC in any capacity.

Publicly Traded Securities

- 1) Marketable securities, such as those traded on a stock exchange, can be accepted. The financial secretary can provide details on transferring stock to the brokerage accounts of either GHTC or the Endowment Fund. Generally, if the value has increased over time, it is to the donor's advantage to transfer the stock and let GHTC or the Endowment Fund sell it. If the stock has lost value, the donor may want to sell it and incur the loss for tax purposes before making a gift of the cash proceeds of the sale. Donors should consult with their financial advisors for specific tax advice surrounding any gifts.
- 2) For gift crediting and accounting purposes, the value of the gift of securities is the average of the high and low prices on the date of the gift.
- 3) A gift of securities normally would be liquidated immediately. However, if the gift is directed to the Endowment Fund, a decision regarding the liquidation of the securities will be deferred until after the transfer of the securities to the Endowment Fund's investment manager. The investment manager will act on the Trustees' decision whether to sell or hold the securities, which will be based on overall portfolio considerations.

Closely Held Securities

- 1) Non-publicly traded securities may be accepted after consultation with the Vestry or the Trustees.
- 2) Prior to acceptance, the donor shall demonstrate that he/she has clear title and the right to transfer the securities. Representatives of the Vestry or trustees, as applicable, will explore methods of timing of liquidation of the securities through redemption or sale. They will try to determine:
 - a. An estimate of fair market value,
 - b. Any restrictions on transfer,
 - c. Whether and when an initial public offering or other liquidity event might be anticipated, and
 - d. If owning the shares would create any actual or contingent liabilities for the recipient.
- 3) No commitment for repurchase of closely held securities shall be made prior to completion of the gift of the securities.

Real Estate

- 1) Any gift of real estate must be reviewed and approved by the Vestry or the Trustees.

- 2) The donor normally is responsible for obtaining and paying for an appraisal of the property. The appraisal will be performed by an independent and qualified real estate appraiser.
- 3) The appraisal must be based upon a personal visitation and internal inspection of the property by the appraiser. Also, whenever possible, it must show documented valuation of comparable properties located in the same area. The appraisal should contain photographs of the property, the tax map number, the assessed value, the current asking price, a legal description of the property, the zoning status, and complete information regarding all mortgages, liens, litigation, or title disputes.
- 4) GHTC or the Endowment Fund reserves the right to require an environmental assessment of any potential real estate gift.
- 5) Representatives of the Vestry or the Trustees shall investigate any other liabilities associated with the property, including any leases or taxes owed, as well as the marketability of the property.
- 6) The property must be transferred to GHTC or the Endowment Fund prior to any formal offer or contract for purchase being made.

VESTRY POLICIES REGARDING FACILITIES

Alcohol Use (March 15, 2022; amended March 21, 2024)

In accordance with the Amended Diocesan Alcohol Use Policy adopted in 2019 by the 225th Convention of the Diocese of Virginia, the Alcohol Policy of Grace & Holy Trinity Church (“Church”) regarding the use of non-sacramental alcohol is as follows:

1. Alcohol may be served at an event on Church premises subject to prior notice to, and with the consent of, the Rector or the Rector’s designee, but only within the Parish Hall. Alcoholic beverages may not be taken out of the Parish Hall. No one under the age of 21 is permitted to consume any alcoholic beverages. Food must be served whenever alcohol is available and an equally accessible and attractive non-alcoholic beverage option must be provided. Moderation is to be observed in the serving and consumption of alcoholic beverages and every effort must be made to ensure that anyone who appears to have had too much to drink does not drive.

Any beverage that contains alcohol (i.e. punch) must be clearly labeled as an alcoholic beverage.

2. Alcohol that is to be served at an event on Church premises may be stored at the Church prior to the event, at a secure location and for a length of time designated by the Rector or the Rector’s designee. All unconsumed alcohol will be removed from the Church premises at the end of the event or stored at the church in a secure location. (amended March 21, 2024).
3. Alcohol is not permitted at any function or program, on or off Church premises, that is for minors such as Youth Group, Scout meetings or outings, Campus Ministry meetings or events, etc.

5. All Virginia state laws regarding alcohol shall be complied with. In the event alcohol is to be sold, the Church or other sponsoring party must obtain a license from the appropriate Virginia ABC Regional Office.

Columbarium (October 14, 2014)

Overview

A Columbarium is a consecrated place where the cremated remains of deceased persons may be placed, with the name and dates of birth and death recorded. It is an arrangement of niches in a wall into which an urn holding the ashes is committed.

Christian tradition has looked upon burial as the final act of faith, a witness to one's belief in the resurrection of the body and everlasting life. Churches have traditionally been the natural repository and final resting place of deceased members of the Christian community. Burial within the church itself or in an adjacent churchyard was once a common practice. The amount of land necessary for a burial ground is no longer available to most churches and a myriad of laws and regulations make it extremely difficult to establish a burial site.

In recent years, cremation with committal of cremated remains, rather than burial, has become more common. In this way, the remains of the deceased can remain at the church that played such an important part in their lives. In some cases, many people are turning to cremation as an economical, dignified way to address the rising cost of funerals. As more and more people turn to cremation, the cost of traditional funerals will continue to rise. By creating a Columbarium, we are addressing the needs of those who choose cremation and would prefer to be located on the grounds of the parish.

The word "columbarium" comes from Latin and translates as a compartmentalized house for doves, the gentle birds mentioned in Holy Scripture and recognized as symbols of peace. The Columbarium at Grace & Holy Trinity Church (the "Church") is a place for reflection and remembrance and a part of our church's ongoing ministry to both the living and the dead. It is a comfortable place, a place for family and friends to gather in love and remembrance, a consoling link between life and death.

*And I heard a voice from heaven saying, "Write this: Blessed are the dead who from now on die in the Lord"
"Yes," says the Spirit, "they will rest from their labors. . ." Revelation 14:14 NRSV*

Ownership

The Columbarium, as a part of the property of the Church, is held in trust by the trustees of the Church and for the Episcopal Diocese of Virginia. The Columbarium is managed by the Vestry of the Church (the "Vestry") with the assistance of the staff and clergy of the Church as necessary.

Administration

- a) All policies and related documents must be approved by the Vestry.
- b) If special cases arise in which the strict enforcement of the policy may impose unnecessary hardship, the Junior and Senior Wardens of the Vestry in consultation with the Rector, may, without notice, make exceptions, suspensions, or modifications of these policies when it appears advisable. Such exceptions are temporary and do not become part of these documented Columbarium Policies.
- c) The decisions of the Vestry shall be final and binding.
- d) The policies provided with the Columbarium Licensing Agreement are binding.
- e) The operations of the Columbarium may be administered by the staff and clergy of the Church as directed by the Vestry.

Eligibility for Committal of Cremated Remains

- a) Purchase of a License: Purchase of a license for a Columbarium niche will be available to anyone who is a baptized member of the Church at the time of submission of an application

(i.e. a record of their baptism may be found in the official parish records), and the immediate families of such baptized members as defined in Section b below.

- b) Eligibility for Committal of Cremated Remains: The purpose of the Columbarium is to provide for committal of cremated remains of those purchasers of licenses for Columbarium niches and the members of their immediate families. This includes non-Christian spouses and immediate family members. The term “immediate family or families” designated by the purchaser as used in this document means the spouse, partner, parents, children, stepchildren, grandchildren, stepparents, and step-grandchildren, and their respective spouses or partners and brothers and sisters of the member. The junior and senior wardens in consultation with the Rector shall resolve any questions regarding eligibility for committal of cremated remains.
- c) Eligibility of Others for Committal of Cremated Remains: From time to time, for pastoral reasons, the junior and senior wardens, and in consultation with the Rector, shall have authority to recommend to the Vestry that persons other than those referenced in paragraph b above be eligible for committal in the Columbarium. The Vestry by majority vote may decide on any changes to the eligibility requirements. Such changes shall be in the sole discretion of the Vestry whose decision shall be final.

Purchase of a Niche License

- a) License Purchase Price: The price of a single or two-person niche includes the right of committal of cremated remains, a memorial plaque, and upkeep of the Columbarium. These costs for committal of cremated remains are exclusive of any other costs that may be incurred by the purchaser, the eligible persons, or their respective estates at the funeral home of anywhere else for services rendered. Prices of the niche(s) will be reviewed and revised as necessary. No changes to the price will be made without approval of the Vestry.

Any purchaser of a license to a single niche may later request the purchase a double niche. Such request will be reviewed by the Vestry and in its sole discretion be approved, depending on availability and the payment of the difference in the purchase price of a single niche and a double niche in effect at the time of the request. In this event the single niche will revert to the church. Any purchaser of a double niche may later request to surrender rights to that niche in exchange for a single niche. This request may be granted depending upon availability and review by the Vestry. The Vestry may choose to refund the difference in price between the two niches, but refunds are at the sole discretion of the Vestry.

Purchase of a niche grants only the right of committal of cremated remains for not more than two (2) human cremated remains. Animal remains may not be placed in the Columbarium. The right of committal can be used for no other purpose and cannot be divided. The purchaser acquires no property rights in the Columbarium and its niches and agrees the said items and areas are at all times under the sole ownership and control of the Church. The right to place in a Columbarium niche the cremated remains of an eligible person(s), is based on the policies in effect at the time of purchase.

Prior to use, the license to use a designated niche may not be sold/transferred by the purchaser without the prior written approval of the Vestry. Upon written request by the

purchaser or his/her designee, the wardens will review and recommend action to the Vestry on all requests for assignment, transfer, bequest, or change of the right. Any approved transferee shall have all the rights of the original purchaser and shall be bound by all the terms of the original purchase. A transfer is recognized only upon written consent of the Vestry. Approval may be refused by the Vestry without cause. The privilege of licenses for committal of cremated remains in the Columbarium for eligible person(s) is personal and can be transferred only to other eligible persons. Should a request for transfer be refused, eighty percent (80%) of the initial license fee paid will be refunded.

The person holding the license of an unused niche may, with the consent of the Vestry, surrender the license of that niche at any time. Surrender shall be effective upon receipt by the Church of written notice of surrender and consent thereto by the Vestry. Within 90 days of effectiveness of surrender, the Church shall refund to the person surrendering the license the license fee paid for it, without interest, less a fee of \$200 to cover the Church's administrative expenses. Surrender of a license terminates all rights of all persons but the Church to the licensed niche.

No flowers, flags or other decorations are allowed at individual niches. The Church reserves the right to remove, add, or move flowers which have been placed on the altar in the Columbarium. Artificial arrangements are not permitted at any time.

Visits to the Columbarium may be made at times when the church is open. Typically, the church is open, at varying hours, Sundays through Fridays. It is always best to contact the clergy or the staff of the Church prior to making a visit to make sure the church is open or to make arrangements for a visit at alternative times.

Urns containing cremated remains may be removed from a niche only upon the written request of a person authorized by Virginia law to dispose of the remains. Removal shall take place only upon receipt of a fee paid in advance in an amount to be determined at the time of removal. Written requests will be reviewed by the wardens in consultation with the Rector. Upon approval, the License Agreement is deemed to be terminated. A request to reassign the right to re-use that niche may be made by the person holding the license. This request must be made at the same time as the removal request and will outline the reason/need for re-use. The request will be reviewed by the wardens and a recommendation made to the Vestry for final decision. If approved, a new License Agreement will be issued.

It is the responsibility of the licensee to notify the Church of any change of address of the licensee designated by eligible persons. All funds received with respect to the Columbarium shall be distributed and accounted for in accordance with the policies and procedures of the Church.

Application and Payment Process

Any person who desires to purchase a license for a niche shall abide by the following procedures:

- a) All paperwork regarding the purchase of a license will be filed at the Church. A copy of these policies will be provided at the time of application by the staff of the Church. The application shall be in the form of the document entitled Application for Use Of

- Niche(s) in Columbarium. The full license purchase price shall be due upon submission of the application. The forms may be downloaded and printed from the Church's website, but the completed forms must be returned to the Church in person or via the United States Postal Service.
- b) The completed application shall be reviewed by the Rector. Any questions that may arise regarding eligibility will be handled in consultation with the junior and senior wardens at the time of the application. The decision regarding eligibility will be communicated to the applicant prior to proceeding with the application process.
 - c) The applicant shall receive a license for use of a designated niche ("License") in the Columbarium in the form of the document entitled Columbarium Licensing Agreement. Should more than one niche be purchased, the Church will attempt to assign the niches in relative proximity to each other. The licensee will have the option of selection of the niche, subject to availability, the number of which will be noted on the application.

Arrangement for Committal of Cremated Remains

Arrangements for the committal of cremated remains must be made through the Rector and no committal may take place without the Rector's permission. He or she may be contacted at the Church office. When the need arises to commit remains in the Columbarium, arrangements should be made immediately so that the verification of records and completion of all required documents may be completed in a timely fashion.

The cremated remains of only one human may be placed in a single urn that meets the size parameters for the niches. The interior dimensions of the niche are 11 ³/₄ inches deep, 9 ³/₄ inches high, and 10 inches wide. At the time the Rector is contacted to arrange for the committal, the faceplate engraving form shall be confirmed and completed. The size, type, and manner of lettering on the faceplate will be determined exclusively by the Church. The licensee or the licensee's family has the sole responsibility for providing accurate names and dates for the engraving.

A Certificate of Cremation (or certified/notarized copy) shall accompany the ashes when they are presented for committal, providing evidence that they are of an eligible person in accordance with the provisions above.

The Rector shall have complete authority over all religious services for the committal of cremated remains in accordance with the Book of Common Prayer and the faith and practice of The Episcopal Church USA.

Liability

The Church will endeavor to maintain the Columbarium and to adhere to the policies and procedures set out herein. However, neither the Vestry or clergy of Grace & Holy Trinity Church, nor the Episcopal Diocese of Virginia, nor any of its officers, agents, employees, parent or subsidiary entities, nor any person affiliated with these entities shall have any personal or vicarious liability under any theory whatsoever to any person or persons whomsoever, no matter how situated, for any of the following:

- e) Any and all other causes of action under any theory whatsoever, whether arising via tort, contract, or statute.

Continued Existence of the Columbarium

It is the intent of the Vestry to operate and maintain the Columbarium in perpetuity. However, if for any reason whatsoever in the future the Vestry determines to discontinue such operation or maintenance, the Columbarium may be discontinued. In such case all rights and privileges held by any person shall terminate immediately, without any requirement for refunds. The Church shall use reasonable efforts to notify licensees or their successors by letter of the discontinuance of the Columbarium. Notice shall be sent by certified mail, return receipt requested or similar service, to the last known address of the licensee(s) or successor(s). Urns then in licensed niches will be disposed of as directed by the licensee or his or her successor(s). If the Church is not otherwise directed or it receives no response to such notification within three months, the urn containing the cremated remains will be relocated in accordance with the directions of the Vestry.
